In association with

Dear Friends and Colleagues.

It is our great pleasure and honor to extend you a warm invitation to attend the CME on “Recent Developments in Prophylaxis Against Rabies in Humans” to be held at Dr Ram Manohar Lohia Institute of Medical Sciences, Lucknow, UP.

The CME offers a wonderful forum to refresh your knowledge and enrich yourself with the recent advancements in prophylaxis against Rabies. The CME will also offer networking opportunities, providing you the opportunity to meet and interact with experts and colleagues actively working in this field.

We look forward to your presence in the CME and assure you a memorable experience. Take a little extra time to visit spectacular and unique city of Lucknow.

About Lucknow

Lucknow, the capital of Uttar Pradesh, fondly known as the ‘City of Nawabs’ or the ‘City of Tehzeeb’ is situated on the banks of river Gomti. The city of Lucknow has a magical charm surrounding it, be it its delicious cuisine or its heart melting culture, the city leaves an everlasting impression on its visitors. With weather being at its best in November, the timing is just perfect to lose yourself in the magic and allure of the city. Imambara, Roomi Darwaja, Residency, Janeshwar Mishra Park are a must see. There is a lot to see around Lucknow as well.

About Venue

The Dr. Ram Manohar Lohia Institute of Medical Sciences (RMLIMS) is a super specialty autonomous medical teaching institute established by the State Government of Uttar Pradesh in 2006. It is centrally located in Vibhuti Khand, Gomti Nagar, Lucknow. The institute offers teaching facilities imparting degrees of M.B.B.S, D.M., M.Ch., M.D., M.S., Ph.D. as well as paramedical diploma programs. The hospital affiliated to the institute offers high end diagnostics and treatment services in various disciplines of medical sciences.
