Dec					Before 15th Dec	Practical Exam MD/MS

Important

1. All students must have submitted the certificate of completion of online course in basic research methods (https://swayam.gov.in/nc_details/NPTEL) before completion of their second semester (academic term) as per NMC guidelines dated 09.07.2019.
2. Submission of fee receipt to PG cell by cut off date (30 sept for MD/MS/DNB students; 30th Nov for DM/MCh students) along with application with recommendation of HOD is essential to ensure timely increment. The common increment order shall be generated on 20th oct each year, though the candidates shall get the increment on reaching their eligibility only
3. In any case, 33 months of tenure have to be completed by each candidate before initiation of final exam. Kindly moderate your leaves accordingly to complete the tenure.
4. Each student must complete 36 months of residency, as applicable.
